    - UPC 3lb. 0-33383-14616-4

Availability	
Nov.	Dec.

A truly tree-ripened Satsuma is one of nature's sweetest delights. Shiraz ranch is nestled against the foothills on the Northwestern edge of the San Joaquin valley. This location, above the valley fog, provides sunny days, cool nights and an excellent level of frost protection. The result is pure, citrus perfection.
