

Yellow Peaches

Yellow flesh peaches are a traditional summertime favorite. They have the perfect balance of sweet and tangy flavors. The acid is what gives yellow peaches their slightly tangy flavor. As yellow varieties ripen, some of this acid dissipates, leaving a flavorful balance of sugar and acid.

PLU: 4044 **Availability:** Mid May - Mid September

PackStyle: Single Layer Euro **Grown:** California

Sales: 559.591.6280 www.familytreefarms.com
